**NPAH CAMPAIGN UPDATE**

31<sup>st</sup> March 2014

## NPAH Funding Assured After 30<sup>th</sup> June 2014

Minister Kevin Andrews has announced \$115 million for National Partnership Agreement on Homelessness (NPAH) funding over the next twelve months from June 30<sup>th</sup>. Thanks to all Shelter members for your support in lobbying for extended funding through letters sent to MPs and senators; the sector can now continue to provide much needed support to people experiencing homelessness or who are at risk of homelessness. The next steps will involve discussions within the sector, to ensure the homelessness services and infrastructure needed are adequately funded into the future. There is still a lot of work to do, and Shelter Tas will continue to take an active role in these discussions over the next few months, continue lobbying for the long-term future of the NPAH, and of course, will keep members informed of any developments in this area.

If you would like further information about yesterday's announcement, click here to read an [article from ABC news](#), and also two short stories featured on the [ABC's AM program](#) this morning. Shelter Tas' information on the NPAH is still up on our [website](#), if you would like to review any details of our campaign.

You can also contact Executive Officer, Pattie Chugg on 0419 536 100 or at [eo@shelertas.org.au](mailto:eo@shelertas.org.au) if you have any questions about the NPAH.
